## Service™

Commercial & Residential

- Commercial & Residential Shipping
- Custom Crating · Asset Recovery
- High Value Shipments

## YOU CRATE Load & Protect Service™

R+L Carriers offers Load and Protect Service, which provides maximum protection and security for all your moving and storage needs. With Load and Protect Service your items will remain intact and secure in the same trailer from pick-up through final delivery. Load and Protect utilizes a custom, tamper resistant bulkhead and a unique trackable ID tag that links you directly to your shipment. With Load and Protect Service, we're securing your future, one move at a time!

### BENEFITS

- **Cost Effective** - Pay only for the space you need.
- **Protected** - Reducing potential damage while minimizing cargo claims.
- **Convenience** - You load based on your schedule, not ours.
- **You Have Control** - Loading your own shipment provides full control of how your items are placed, stacked and protected.
- **Security - Peace of Mind** Trackable ID tag to ensure security is not breached during transit.
